TERMS OF ACCEPTANCE

When a patient seeks chiropractic care and we accept such a patient for care, it is essential for both to be working towards the same objective. Chiropractic has only one goal. It is important that each patient understands both the objective and the method that will be able to obtain it. It will prevent any confusion or disappointment. An adjustment is the specific application of forces to facilitate the body's correction of vertebral subluxation. Our chiropractic method of correction is by specific adjustments of the spine. Health is a state of optimal physical, mental and social well being, not merely the absence of disease or infirmity. Vertebral Subluxation is a misalignment of one or more of the joints of the body. This can cause pain or alteration of nerve function and interference of the transmission of nerve impulses, lessening the body's innate ability to maintain maximal health. If during the course of a chiropractic spinal evaluation, we encounter non-chiropractic or unusual findings, we will advise you. If you desire advice, diagnosis or treatment for those findings, we will recommend that you seek the services of a health care provider who specializes in that area. Regardless of what the disease is called, we do not offer to treat it. Nor do we offer advice regarding treatment prescribed by others. OUR ONLY PRACTICE OBJECTIVE is to eliminate a major interference to the expression of the body's innate wisdom. Our only method is specific adjusting to correct vertebral subluxations.

I, _____ have read and fully understand the above statements.

I understand the intent of Chiropractic care, based on the above, & consent to an examination, including X-rays if necessary.

FINANCIAL POLICY

We are committed to providing you with the best health care possible. We have established our financial policies to achieve this goal. You will be expected to pay for your health care at the time the service is rendered unless other arrangements are made in advance.

Health Insurance: We accept Blue Cross Blue Shield insurance. On your first visit, we will check your benefits and collect payment based on the information given on the Blue Cross Blue Shield portal. Insurance claims are filed on a bi-weekly basis. Once remittance files are received from Blue Cross Blue Shield, your ledger will be updated. If your ledger shows a credit, we will reimburse you the difference between what you paid and the patient responsibility stated in the remittance form. If your ledger has a balance, you will be responsible for it and required to pay for it without dispute. If during your care your insurance information changes, it is your responsibility to update your records with our office.

If you are not a BCBS insured, it is your responsibility to collect these benefits. We will provide you with a statement or "Superbill" at your request, which contains all the information necessary for your insurance company to reimburse you.

Cash Patients: All fees are payable at the time services are rendered.

Methods of Payment: For your convenience we accept Cash or Credit Cards (Visa, MasterCard, AMEX, Discover) for your initial visit. If a payment plan is chosen for future care, this is handled by auto collection through your card on file with our office. We do not accept checks for your initial first two visits. All checks returned as insufficient funds will incur a \$45 returned check fee.

We make the payment process as simple and smooth as possible, so you will have an enjoyable visit in our office.

I have read and understand the above policies.

PATIENT ATTENDANCE POLICY AGREEMENT

Homewood Friends and Family Chiropractic strives to provide each patient with the highest quality of care while attempting to accommodate your schedule. Therefore, we provide reserved time slots for each patient in order to minimize waiting times and assure continuity of your personal treatment. Appointments can be scheduled by phone, email, text or in person at the office. We ask that all patients arrive 5 minutes before your scheduled appointment. Your consistent attendance of the planned treatment care plan is paramount to lifelong health.

Cancellations, along with patient no-shows, decrease our ability to accommodate the scheduling needs of other patients. We ask for your full cooperation with the following policy:

- If you are unable to keep a scheduled appointment, we request that you notify our office 48 hours in advance of your scheduled appointment time. If someone is not available to take your call, please leave a voicemail or email frontdesk@homewoodfreindsandfamily.com.
- All cancellations and no-shows will be documented in our records. If you accumulate 2 cancellations or no-shows, a fine of \$50.00 will be assessed on each cancellation or no-show thereafter.

We believe that this policy is necessary for the benefits of all patients, so that we can continue to provide the highest quality treatment and service to every patient.

All Homewood Friends and Family Staff and patients appreciate your cooperation with this policy.
